Response to Amendment

The finality of the last office is being withdrawn. 35 USC 112 2nd paragraph rejections of claims 17-21, and 34-39 follow.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 10/14/05 and 1/18/06 are being considered by the examiner.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 17-21 and 34-39 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 17, provides a catalog of steps without providing a nexus among the claimed steps a-d.

Additionally, the phrase "the milled blank" as recited in claim 17 makes it unclear to which blank is being referred. Is it the blank of step b or c?

The phrase "the blank" used in the second to last line of claim 17 and in the first line of claims 18, 20, 34 makes it unclear to which blank is being referred. Is it "the blank" of step a, b, c, or d?

In claims 21 and 36-39, the phrase "the pre-sintered blank" or "pre-sintered material" lacks antecedent basis.
